**02** HOW TO PLAY

**03** THE CODE

# ABOUT THE GAME

- **The game based on the nokia snake game**

- **It designed in ruby2d**

*snake game*

## HOW TO PLAY

**01** Control by pressing the up, down, right and left buttons

**02** Eat a fruit in the field to grow and score 10 points

**03** When the player eats 5 small fruits, the next fruits will give 20 points instead of 10 points

**04** The game will end when the snake hits itself or it hits the border
